I ♥ Las Vegas

by viva las vegas

I've been trying not to read the paper for three years now, ever since Bush the sequel started, but I couldn't help but notice that gay marriage has had big headlines lately. And that Bush 2, or "Shrub," has allotted 1.5 billion to go to war to defend it.

This is ridiculous! Who cares if gay people marry? Who cares if they cross the street? I think we've already established that being gay is A-OK legally, so if marriage is a legal agreement, gay people should get to do it if they so desire. If you're personally not OK with it, don't marry someone gay. Sometimes obese adults wear Disney sweatshirts and it really bugs me. Still they get to cross the street, get married, vote.

"65% of Americans feel that homosexuals should have equal rights in the workplace. However, 38% feel that homosexuals should be allowed to marry. That's down one percent from last week."

WHO CARES? And why do they even think it's ok to ask those questions? Here's what they should ask:

"How many of you feel that the Christian Right should be banned from any and all public forums?" or "How many of you feel that President Bush should be ritually axe murdered to appease the international community?"

I bet the stats would be approximately the same.

Shrub and co. say they're defending the American family. But even their

Conservatism as a Personality Disorder

homo-foe statistical formulae conclude that gay couples make as good or better parents. In fact, gay partners are more likely to have a stay-at-home parent than hetero marrieds.

Shrub and the Righteous Right say marriage is a holy union blessed by a homophobic God. Well, then marriages shouldn't be conducted at City Halls or carry so much weight legally. Ever heard of separation of church and state?

Shrub and the State of California define marriage as a union between a man and a woman. But, uh, what is a man? What is a woman? What is a homosexual? Take a swim in the murky waters of gender studies for half an hour, Bush buddy, and it'll shrink your cocksure sure as shit. For inst.: can a homosexual woman trapped in a man's body marry a lesbian? They got man and woman PARTS... Or what about a post-operative transsexual marrying his (now her) longtime boyfriend? Is that OK? Maybe we should just institute a don't ask don't tell policy for marriage like we do in the military. No one needs to know who's a boy or who's a girl under that gown!

What does marriage mean anymore anyway, when over fifty percent of marriages dissolve before the death-do-us-part part? Europe has recently come up with marriage lite: civil solidarity pacts and registered partnerships which allow couples, gay and straight, to proclaim their commitment to each other and maintain all the legal benefits of marriage, but without the freakiness of "forever." Scandinavia has all but done away with marriage, and most children are born out of wedlock. Many feel this is a positive trend, sparked by women's lib and the decreased influence of the church. But conservative presses blame gays being allowed to marry for lessening the appeal of marriage. According to the *Weekly Standard*, this takes away marriage's romance and "mystique," and should therefore be avoided at all costs. Talk about fuzzy logic.

Here's some logic I like. My army brother's friend's father, a Ph.D. in psychology, is writing a book on conservatism as a personality disorder. Hee hee. That's what I like to see. Here's hoping it's a bestseller.

On the fringes of the masturbation ocean called the Internet, far beyond where brave men dare to surf, there exist niche markets serving the needs of men whose tastes run counter to the mainstream boob-job hordes. Out there, things which might repel the average red-blooded male ... things, such as, oh, missing limbs, morbid obesity, or poop-munching parties ... become sexually charged fetish items, sharpened arrows which strike deep at the pleasure center.

By accident—I promise—I recently stumbled across the phenomenon of porno sites designed to appeal to persons who become sexually aroused at seeing naked pictorials of the sort of mangy, dentally handicapped, histrionic, low-class, inbred-and-continuing-to-inbreed white skanks paraded daily across the tube by the likes of Jerry Springer.

WHITE TRASH GASH FOR CASH

Hard as it might be for us, uh, normal people to believe, there's a cottage industry providing jack fodder for men who fancy themselves having sex with white women of meager means.

I know...it's almost too terrible to ponder.

One clue to these sites' possible appeal is the social archetype of the insatiable hillbilly gal willing to fuck ANYONE ANYWHERE ANYTIME. These girls flaunt the presumed alley-cat sexuality of the underclass. Their all-consuming rageful lust impels them to have sex with anyone...even the malformed horn dogs who have to pay for coochie on the Internet. They are cum-chugging Cunts on a Hot Tin Roof who are constantly yowling and yammering for cock. One website barks that "Trashy White Girls in the trailer parks are the easiest pussy in the world." Another avers that "Trailer park girls are TOTAL sluts!" OnlyWantSex.net, which claims to feature "more than 35,000 White Trash Girls," states as indisputable fact that "WHITE TRASH GIRLS GIRLS [sic] ARE THE EASIEST TO FUCK OF ALL THE AMERICAN WOMEN." This unique sales pitch inverts the typical porno strategy of precious unavailability...these girls are always available. They want to fuck you—even YOU.

The standard porn advertising strategy is further inverted by the fact that these sites often go out of their way to admit that these girls "ain't runway models" or "aren't all that good-looking."

Many of these sites feature black-on-white gang bangs, and it's hard to gauge whether that's a racist or a non-racist gesture—are these girls "white trash" because they gobble black cock, because these photo shoots portray their cum-splattered blonde heads like white croquet balls being batted around by huge black mallets? Are they relegated to the trash bin merely because of their race-mixin' ways? Who can tell? But when one woman naughtily exclaims, "My husband would kill me if he knew I kissed him right after sucking a big black man's salty balls," you know she's trash whatever way you slice it.

Currently, I'm unaware of any websites that cater to a fetish for, say, "nigga project hos" or "wetback hotties" or "subjugated Injun squaws." There are other ethnic niche markets for "Chocolate Cuties" and "Lovely Latinas," but only low-class white gals get subjected to such outright disdain. Under any other skin tone, this would be unacceptable stereotyping. Someone should write a book about such double standards, I swear.

And considering the availability of stock photos and porno's hallowed tendency to "create" erotic situations, it's also difficult to gauge how "authentic" many of these sites are. Rather than being uploaded from a shack in the Tennessee hills, many of these sites seem as if they were slapped together by some geeky Cali tech-nerd trying to guess what someone with a white-trash fetish wants to see.

But the more disturbing question is: Who patronizes these sort of sites? You can rule out "real" white trash. They don't want to see their downtrodden lifestyle so savagely lampooned, their hard-luck women depicted as circus beasts. Real white trash seeks "class" in its pornography, so who buys this shit? Inhibited white rich men? Vengeance-minded horny black men?

I wanted to e-mail the webmasters and ask them, but once you make contact, you're put on their list. And once you're on their list, you get put on other lists. And when you finally are able to remove yourself from the first few lists, you've already been put on two dozen new lists. It's not worth the trouble.

So instead of investigating further, I've provided capsule analyses of a half-dozen "trashy white girl" sites. There are more than these half-dozen—many more. Some would say too many...

You will see thousands of photos of the girls from my trailer park taking it up the ass, in the mouth and getting their pussy fucked over and over!!... You will see white trailer trash women performing acts you won't believe; like only White Southern Trailer Trash can do. Keep a close watch because you might see your cousins fucking each other! ... You will see these trashy sluts both barefoot, in stockings, heels, sandals and even sometimes with filthy feet from having to feed their barnyard animals!!"

MY DESCRIPTION: An online photo journal depicting the carnal adventures of fat, horrid, stretchmarked, desperate, menopausal, tore-up-from-the-floor-up, sub-Mason-Dixon cocksocs on a frantic quest to stuff every hole in their body to the gills lest those empty holes remind them—even for a second—of their station in life. The site is run by "Felicia," a forty-seven-year-old grandma and PTA member who doesn't look a day over ninety. Sections include SLUT PICS OF THE DAY!, INTERRACIAL GANG BANGS!, RED NECK [sic] LESBIAN LUST!, and SEX STARVED TRAILER TRASH! Adventurous minds will ponder the coercive measures needed to enforce the steadfast proclamation that "every nasty slut on this site is REQUIRED to swallow cum!" Points get subtracted due to the annoying popups and ever-replicating "consoles" and non-related porno links which keep exploding on the screen like daisy-cutter bombs, forcing you to quit your browser. I've never seen this happen outside of porno sites, and it really should be illegal.

MOST DISGUSTING PASSAGE ON SITE: "Most of the gals that come to Dixie are 'Anal Virgins', but when they leave our parties they are shitting sperm."

SITE NAME: CUM DUMP MAMAS

URL: <http://cumdumpmamas.com/>

THEIR DESCRIPTION: "Thousands of candid fuck shots of the nastiest girls in the South!... We are southern sluts ... We are a group of seven girls who have moved in together under one roof. We live and play in a cabin in the North Georgia mountains and we do some of the nastiest

things you have EVER seen! ... About 15 girls party here every Saturday night and they are ALL cock whores!... We do go on road trips to the local truck stop, pool hall and a few clubs around here and we fuck the shit out of some of the guys at these locations but other than that, it's ALL from the cabin and from houses in the neighborhood!"

MY DESCRIPTION: The site's logo is rendered in a typeface that looks like wooden slats nailed to the side of a ramshackle cabin. The letters drip with huge white gobs of what is presumed to represent male ejaculate. The mamas include a cracker ho whose "fantasy is to be gang fucked by a biker club" and a black woman who claims to have "sucked off more redneck truck drivers than anyone I can think of and my little asshole has been fucked so much that I think I need a ring job." I must admit that I found myself highly attracted to the site's big-boobed, bee-sting-lipped, vaguely swarthy proprietress "Sindy," allowing me to forgive, even temporarily, the endless shots of jizz-gargling, ass-fisting, and turkey-baster-inserting.

MOST DISGUSTING PASSAGE ON SITE: The name.

SITE NAME: TRAILER TRASH GIRLS

URL: <http://www.trailertrashgirls.net/>

THEIR DESCRIPTION: "Trailer trash. White trash. You know the type. Tattooed, Camel smoking, Jack Daniels drinking sluts... who like to sleep til noon in their doublewide with three refridgerators [sic] out front, an engineless 1964 Dodge Dart in the back home to racoons [sic] and rats... We've got tons of nasty, skanky trailer trash girls, strutting their stuff and proud to do it. These white trash strip for you, have lesbian sex for you, play with their favorite dildos for you. Hell, even the pregnant ones get it on for you."

MY DESCRIPTION: Subtitled "Doublewide Sex and Porn," the site's home page

features a shot of a nasty redhead skank holding a purple vibrator in one hand and clutching a miniaturized dilapidated trailer home between her legs. The Trailer Trash Girls logo is rendered in a Confederate flag pattern. The site also boasts a section devoted to "Trailer Trash Lesbians" engaged in explicit, fluid-laden activities. But since that's all they show you before you have to pay, that's all I know.

SITE NAME: AMATEUR TRASH

URL: <http://www.amateurtrash.com/preview2.htm>

THEIR DESCRIPTION: "I meet most of [the models] in the trailer park I used to live in... Amateur trash is more fun than getting

drunk and playing with firearms!... Amateur trash is better than your pet pig winning the blue ribbon at county fair.... You will love Amateur trash as much as your three legged dog."

MY DESCRIPTION: A small, amusing site sleazily rendered in that cheesy Comic Sans typeface favored among low-rent web pornographers. Thematic consistency isn't important, as one of the girls is black and another is a decidedly un-trashy eighteen-year-old Korean. One shot shows the webmaster's alleged ex-wife doing dishes, placed alongside a shot of her looking menaced by a faceless hard-on behind her. The site has a jokey feel which leads me to believe it really isn't hosted by an actual guy who used to live in a trailer park—seems more like some techgeek basking in the blue glow of a computer screen somewhere deep in the SFV.

MOST DISGUSTING PASSAGE ON SITE: "Here is a good white trash whore for y'all. She has been dancing at the local strip club to support her boyfriends [sic] drinking habit. Now he talked her in to doing a scene for us so he can buy some more beer and pretzels."

SITE NAME: WHITE TRASH AMATEURS

URL: <http://kinky-amateur-girls.com/trash/>

THEIR DESCRIPTION: "Guns, Tattoos, Pickup Trucks... Pics of real amateur white trash trailer trash redneck nasty girls naked... These girls have nothing better to do than hang out at the Burger Barn and flash their titties at people while they wait for some guy to offer his cock to her. They sure know what to do when they get their mouth on one too!"

MY DESCRIPTION: Very little to see on the "free tour." The main model looks too Mediterranean to qualify as proper white trash—sort of a muddier Valerie Bertinelli. Plus, she's posing naked except for high heels and a BASEBALL CAP, which is never sexy under any circumstances. There is, however, one redeeming shot of a peroxidized, sunken-eyed, faded-cutoff-wearing skankasaurus whose very being conjures images of meth-pipe burns and children given up for adoption—in other words, HOT stuff!

SITE NAME: THE FARMER'S DAUGHTER

URL: http://www.sexontap.net/farm_girls/farm_girl.htm

THEIR DESCRIPTION: "The Farmer's Daughter is about beautiful, erotic young teen women and animals, in the fields, on horses, and on farm equipment... Young firm bodies playing with each other and barnyard animals... no bestiality, bestiality, [sic] or animal sex—just hot young farm girls playing with each other, animal, [sic] and tractors."

MY DESCRIPTION: I'm not sure what to say. I mean, they get a bunch of hot young farm girls together, place them next to some hot young farm animals, and yet no

bestiality? No bestiality, either? You'd think that they'd at least give you one. Or the other. Or, in a righteous world, both.

MOST DISGUSTING PASSAGE ON SITE: "Girls who breed animals (animal husbandry) are not squeamish. [sic] They know how to have fun. After all, animal sex is normal (that is how you get a baby animal). So seeing animal sex (not bestiality) makes a teen girl horny and ready... And every girl loves horses. Feeling their strong, powerful bodies between their legs, (yes, rubbing against their pussy—still not bestiality or sex, but animal sensual massage) makes them hot and wet for erotic pornography."

March 2004

Last month in this column, *Exotic* employees voted for their top five favorite strip clubs. We used as criteria places we like to **hang out and relax**, and certain of us had to be reminded over and over again that "favorite" wasn't based on the size of the ad account. Well, we were **WRONG!** It IS based on the size of the ad account! Turns out we pissed off almost every hotshot strip club in town. They threw out our racks, told us to fuck off and insulted the charming little dives we are so fond of.

I am still shocked (and sorta pleased) to find out that anyone reads this fishwrapper at all.

However I wouldn't put it past our competition to cut and paste and blow out of proportion this silly little office poll, taking a billboard into the Dolphin yelling "*Exotic* picked **THEIR OWN CLUB** as number one!!" So what? If ya'll had your acts together and owned not either a strip club OR a smut magazine but **BOTH**, you would vote for yourself, too!

Actually, we at *Exotic* had nothing to do with last month's poll. Some devious strippers known as **The Covergirl Club** ran that as a PAID AD as a gift to Frank for his birthday. What a bunch of dummies! Everyone knows that (**this month**) the best strip clubs in this town—no, in this **WORLD**—are:

MARCH 2004 NEWSLETTER

MORE PROGRESS, AND UPCOMING FUNDRAISING EVENTS!

HEALTH INSURANCE FOR ENTERTAINERS

February's meeting started with entertainer member Janene signing up for ACE sponsored health insurance. This is a new offering for us, and we're proud of her for going first and testing the waters. We hope to have a great many more in the months and years ahead.

We're working out exactly how to collect monthly dues and insurance payments in the most convenient way possible - we'd like to see an ACE representative come to your club and collect in person and give a receipt on the spot.

NEW ACE WEB SITE

Our hard working Secretary is toiling away on a new Oregon ACE web site. We hope to unveil it soon.

VENDOR OF NOTE

Gateway Security has renewed for 2004 their pledge of big discounts to ACE members on excellent state of the art burglar alarms, security cameras, security video recording devices, and more. They have incredible technology, and are great to work with: call 888-826-9116 and ask about the ACE discount.

FUNDRAISING

Fundraising events are now planned from March 19 through early May. The confirmed ones are **Tuesday, March 30 at Dante's** and **Saturday, April 10 at Stars Beaverton**. Bring your friends and help us raise money to protect our industry. Look for ads in this and other magazines.

OLCC

We've got pretty good progress on the enforcement front. While there are

still tickets being written from time to time that seem arbitrary - at least from second hand accounts - we hope to protect ACE member clubs from that very soon, and get a much stronger guarantee of equal enforcement and an equal standard for all.

After meeting with OLCC senior managers in late January, we've agreed on some goals with them:

To establish a set of guidelines, articulated by ACE, that are mutually agreed as being (a) clear and non-subjective, and (b) in compliance with OLCC regulations, such that:

0. The guidelines can be easily and clearly described, taught, learned, and followed;
1. Any observer can determine, unambiguously and without recourse to subjective standards, whether an entertainer is within the guidelines; and
2. If an entertainer is definitely within the guidelines, then the entertainer must also be in compliance with OLCC regulations; and
3. It is possible for an entertainer to be outside of the guidelines but perhaps be in compliance with OLCC regulations.

Once these goals are in place, ACE can offer training together with a money-back guarantee of no OLCC fines for entertainer behavior.

Next up, we have a scheduled meeting in late February (after we go to press, but before you read this) to work out similar guidance from local law enforcement regarding the law enforcement of "lewd behavior" statutes.

Finally, big thanks are due to **Claude DaCorsi** and **Mystique Knight** for their role in the last OLCC meeting - their time and expertise were extremely valuable.

We hope they can attend the next one as well.

See you all at the fund-raisers! Look for the ads!

ADVICE FROM DEMI MONDRAINE

Ms. Jackson isn't nasty. Just smart. Janet Jackson hasn't had a hit in four years. In the mean time, she sees Brittany tonguing Madonna's

job. She sees the thoroughbred butt cheeks of young Beyonce humping out of her filmy costumes. She sees every inch of Christina Aguilera. She sees every stupid hip hop video where bouncy gals of every color—pouring out of their hip huggers and bitty tops—hump everything including the air around them. She sees billboards, print and TV ads where tits and ass rule. *Sex in the City*, MTV, and any number of reality shows celebrate gold-digging whores as prime time entertainment. Then she sees her weird older brother being charged with intoxicating and molesting little boys. Again.

The phone rings. It's Justin Timberlake, the former Brittany-bangin', fluent-in-ebonics, golden boy-band survivor. He's on top and super famous at present. He thinks it'd be cool if they perform one of his hit songs at half time during the Super Bowl.

THE SUPER BOWL! Everyone watches the Super Bowl! Can I get a 'Hell yeah'? Janet hasn't had a hit in four years. No one's thought about her in a long time. She's gotta make this one count.

Meanwhile the FCC has had the networks on double secret probation, trying to up the fines from \$27,500.00 per indecent incident to \$275,000.00. Michael Powell, son of Colin and head of the FCC, is the

“Janet hasn't had a hit in four years. She's gotta make this one count.”

new McCarthy of modern morals who leads the crusade.

We all know what happens next. A flash of tit and suddenly, just like angry villagers in a monster movie, the Highly Offended stream through town with their torches and their bibles, looking for someone to burn for the bobbing brown boobie. Because of this, the networks are now scrambling to clean up their prime time slots. MTV, pretending to actually air music videos, promises to air the raunchier ones between 10 PM and 6 AM. *NYPD Blue* promises to re-edit a sex scene. The show's creator, Steven Boscho, calls the decision to comply with the tightening leash on decency in entertainment "Lame."

All this fuss over a fading star who, trying to reap the benefits of what has worked for every female artist forever, shows a little skin. Since when does anyone give a fuck about titties? Why now? Is it because she's black? A Jackson? Do we still need to punish her for ever being with that homo DeBarge?

According to Michael, son of Colin and FCC Chief, there was a huge public outcry after the Super Bowl flashing—200,000 complaints at last tally. Sounds like a lot until you look at how many people watched the game—upwards of 90 million according to advertisers. That's one in 450 people. Now, I suck at math, but even I know that's not a huge public outcry.

Regardless of things like truth and character, however, Janet was uninvited to the Grammy's. They were worried she might do something reckless. She was heartbroken. She wouldn't get to help Christina tape her hanky to her new boobs, oil Beyonce's ass, glue feathers to the Outkast dancers or help Lil' Kim pick out just the right pasty. Justin still got to go, even though he was as big a part of the boob ordeal as Janet. But he's on top and, well, Janet hasn't had a hit in four years.

That's the way love goes.

JAPANESE

THE LATEST APHRODISIAC

Suzu Misaki sits nervously at her desk, her big brown eyes cast slightly down, flanked by chalkboards on either side.

Dressed in a prim, plain school uniform, she's waiting for her teacher, hoping she won't be punished for not turning in her homework.

The door opens slowly. The teacher, paddleboard in hand, enters the classroom. He frowns disapprovingly at his student, then closes and locks the door behind him. Suzu knows she is going to be punished.

"Stand," the teacher commands.

Dreading the paddle, fighting back tears, Suzu nonetheless does as she is told.

"Bend over," the teacher orders, crossing the room to stand behind his pupil. "And pull your skirt up."

Her face flushes crimson with shame and humiliation. She bends at the waist, reaches her hands behind her and pulls up her skirt. She flinches when the tip of the paddleboard pokes against her white cotton underpants.

"Push them down," the teacher instructs.

Not wanting to bare her bottom, wishing she could somehow disappear, Suzu hesitates. Suddenly, without warning, the paddleboard hits the floor with a bang. Suzu is pinned against her desk. A hand tugs at her underpants, jerking them down. She tries to struggle, but it's futile. Her underpants are ripped off. Her legs are forced apart. Fingers search lewdly for her vagina...

It looks exactly like a classroom, and brown-eyed, baby-faced Suzu Misaki looks just like a real Japanese schoolgirl. But looks can be deceiving. This is the scene at an "image club," one of hundreds in Tokyo and Nagano where men and women pay \$150 to \$1000 an hour to live out their sexual fantasies.

"The men and women who come in here are looking for ways to gratify their lewd and lascivious desires," says Suzu, a 20-year-old prostitute.

And they find them. At the club in which Suzu works, customers can choose from 11 "actresses," as the prostitutes prefer to be called, working 11 rooms. These include classrooms, a nurse's office, a receptionist's foyer, a principal's office, and an imitation railroad car where, to the recorded roar of a commuter train, passengers can "molest" straphangers in school uniforms—black or plaid kneelength skirts, white blouses, and white mid-calf boots.

"I average six hundred dollars a week," boasts Yuki Shinohara, 20, "just by letting foreign businesswomen reach under my skirt and fondle my panties." At 4'11 and 95

pounds, Shinohara is a favorite among straphanger molesters. "They are especially turned on when they learn that I shave my pubic hair," she says. "Some of them get so turned on that they stick their fingers in my pussy."

Among image club actresses, the shaving or trimming and shaping of pubic hair is standard operating procedure.

"The less pubic hair we have, the younger we can appear to be," explains Misaki.

Play-acting aside, the image clubs represent a growing obsession with uniform-wearing females as sexual objects. Far more than in other countries, men and women in Japan seem to find females in uniform sexually alluring. And, according to many experts, the target age is getting steadily younger.

"One image club's most popular draw is a 21-year-old straphanger actress who looks all of ten," says Rika Kayarna, a female psychiatrist and social commentator.

According to Dr. Kayama and her colleague, Masao Miyamoto, a male psychologist and author of a book on Japanese society, the sexuality of uniform-wearing schoolgirls in particular has become an issue in Japan. "An alarming number of them occasionally prostitute themselves to raise pocket money," says Miyamoto.

Kayama concurs. "I've counseled many 13- and 14-year-old girls who confessed to performing fellatio for as little as three dollars," the doctor says, "and each of them discussed the sex act as if they were talking about earning money baby-sitting. No shame."

No shame indeed.

"I don't really like giving blowjobs," one girl told Dr. Kayarna. "But for the money, why not? The hardest part is not gagging when the guy cums in my mouth. But it's no big thing."

It's a philosophy shared by most image club actresses.

"Sucking a guy's dick is not my favorite sex act," says Kyushu Nagoya, 24, "but it is profitable." A baby-faced brunette who works the "Principal's Office" at an image club in Nagano, Kyushu considers herself an entertainer not a whore. "Like other entertainers, I provide a service

for the general public. The only difference between me and, say, a magician," she says, "is that a magician performs a magic act for a price and I perform a sex act for a price."

The Principal's Office

Sitting behind a desk in what looks, feels and smells like a school administrator's office, the "Principal," dressed in a nondescript business suit, thumbs through several pages of paper as a uniform-wearing honor student, her head bowed, stands before him.

"You cheated on this test," the principal states, his eyes on the papers. "I'm afraid I'll have to expel you."

"But it'll s-shame my m-mom and dad," the student stutters.

Still not looking at the schoolgirl, the principal slowly shakes his head. "You're a disgrace to the honor roll. You leave me no choice."

"Please," the student begs. "I'll... I'll do anything to make up for it."

"Anything?" the principal replies, slowly lifting his head to peer at her.

She nods.

Smiling evilly, he asks, "And if I said I wanted you to show me your panties?"

Her cheeks turn red with embarrassment. She grasps the hem of her plaid, knee-length skirt and lifts it upward, over her thighs, revealing the crotch of her pink panties and a tiny shadow of pubic hair.

"That'll be enough," the principal tells her.

"I may leave now?"

He shakes his head. "Cheating is a serious offense." He gestures to a chair in front of his desk. "I want to see your pussy."

Knowing she has little choice, the honor student sits down and pulls off her panties. She opens her legs and closes her eyes, not wanting to see him ogling her most private part.

"Spread your pussy lips with your fingers," the principal instructs. "I want to see the glistening pink of your little

hole."

The honor student spreads her legs a bit wider and does what is demanded of her.

"Okay, I've seen enough."

"Now I may go?"

The principal shakes his head. "Not yet." He motions for her to join him behind his desk.

With the schoolgirl at his side, the principal swivels in his chair to face her. "You have such a luscious mouth," he says, unzipping his fly to punctuate his meaning.

Knowing what is expected of her, the honor student bends at the waist, lowering her head into his lap. As her lips slide over the bulbous head of his hard cock, she feels his hand slide up the back of her thighs to her bared butt. A finger penetrates her asshole as her mouth slides down the length of his shaft.

"If the customer doesn't offer an incentive," Kyushu says, "I don't swallow his cum."

Nor does she fuck.

"Other actresses will do anything," she states, "but I save my pussy for my boyfriend."

Many Japanese claim to be deeply troubled by the growing obsession with schoolgirls dressed in plain school uniforms. By international standards, however, "there is remarkably little domestic disapproval in Japan at what we call *Loli-Com*, or the Lolita Complex," says Dr. Miyamoto.

Despite the sexual fulfillment inside the image clubs, the appeal of uniform-wearing schoolgirls, according to most behavioral scientists, has little to do with sex.

"Like some of their European counterparts, many Japanese men feel threatened by confident, knowledgeable businesswomen," Dr. Miyamoto states. "But a young, somewhat naive schoolgirl would not be threatening. It's not so much sexual as psychological."

Reportedly, in associating with young girls, men (and a growing number of women) want to behave in an overbearing way, "to position themselves as superior," Dr. Kayama elaborates. "For example, a man who patronizes an image club is not looking for a woman to perform an intimate act of fellatio," she says. "He's simply looking for a woman to suck his dick. Similarly, women who patronize image clubs are not looking for intimacy but for raw, nasty sex."

Several decades ago, sexual fantasies centered on "office ladies" in their twenties. Then the focus became movie starlets and college women, and a few years ago it shifted to high school girls, especially cheerleaders. Today,

in Japan and elsewhere, the focus is on naive, uniform-wearing schoolgirls.

"Sexual fantasies have clearly changed," Gerard reports. "A beautiful movie star is not, for a great many men, as sexually appealing as a schoolgirl in a prim, plain uniform."

Others agree.

"Everybody craves the fruit of the forbidden tree," says Hiroyuki Fukuda, a 30-year-old entrepreneur who plans to launch a magazine called *Anatomical Illustrations of Young Cheerleaders*. "There's an undeniable thrill to defiling innocence or engaging in 'taboo' lustful activities—which is the basis of the nun fantasies harbored by many Catholic men."

Tricia Wertz, 36, a Los Angeles businesswoman who travels to Tokyo to appease her carnal cravings, agrees.

"All of us have secret desires," says Tricia, who regularly patronizes the railroad car at Kaori's, one of Tokyo's more fashionable image clubs. "I get off on fondling, sometimes masturbating the girls," Tricia confesses. But I haven't yet worked up the courage to, ah... to do them orally."

According to Dr. Kayama, it's not surprising that Wertz and other image club patrons are drawn to the straphanger fetish. "Groping of females on crowded subways is all but culturally sanctioned in Japan—71% of Japanese women claimed in a recent poll that they had been abused in that way—but other sexual crimes against women are much rarer in Japan than in other industrialized countries," the social commentator reveals.

Japan is without a doubt a much safer place for females than America. "Only about one thirteenth as many rapes are reported per capita in Japan as in the United States."

Not surprisingly, image club owners claim credit for the lack of sex crimes in their country. "Men and women in Japan have no reason to perpetrate sexual assaults," says Yedo Origano, owner of Shikoku's, an image club in southeast Honshu on Tokyo Bay. "Image clubs give them a safe, legal way to live out their darkest desires." More than a few people concur. Citing the relative safety of Japan's women and the unlimited earning potential, Tricia Wertz, Michelle Gerard, and others advocate the establishment of image clubs in other countries, including the U.S. "I'd rather people act out their sexual fantasies," Gerard says, "than attack females."

And, according to "schoolgirl" Suzu Misaki, "We can give life to any fantasy."

WHAT'Z CRACKIN'?

It's on again ya'll, and in this month's article I'll be asking your opinion on the Janet Jackson situation as well as put you up on whatz crackin locally in the music biz. I'll also be letting you know about some nightclub do's and don'ts... There's a new column that I'm adding to my article next month called "The Late Nighter". It's something for my readers to get involved with. Each month I will feature a different story from one of my readers about a late night booty call gone bad, or good! Email me your story at: whatzcrackin_J@hotmail.com

First Up — Ms. Jackson's Titty

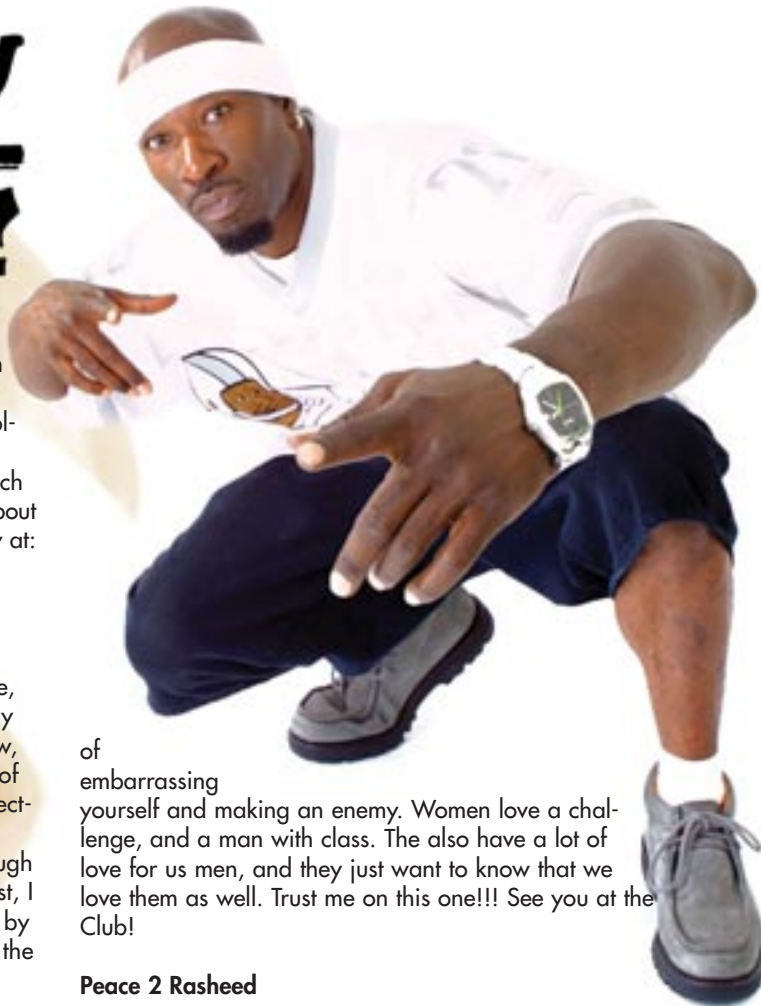

Daaamn Baby! I have always wondered what they looked like, along with every other cat I know, but to see one of them so unexpected was a real treat. Even though the Panthers lost, I was comforted by the memory of the half-time titty. Some people say that it was staged, and some say it was an accident, but either way, I think that Justin

Timberlake

should have also been banned from the Grammy's since he did reveal the titty in the first place. If you missed it live, I got it right here!!!

Next Up — Nightclub Shiznit

First of all, we have all been to a nightclub before and have seen some crazy shit go down. I personally find some of it extremely funny, while some shit is just out right stupid. For instance, the catz that get mad at the honeys for not giving out their phone numbers. These motha-fuckas crack me up. They buy a couple drinks and for the most part hold a fairly decent conversation. Soon as they don't get the number they wanted, they turn into totally different people. How many of you honeys have heard this before? "Oh I can't get your number? Well fuck you then bitch." How weak is that?? Here's some advice for you no-game-having bastards that do that dumb shit. Women hate to be sweated by men, so you can't seem too fuckin' eager to hook up with her. Just go with the flow and try to make a friend connection, instead

of embarrassing yourself and making an enemy. Women love a challenge, and a man with class. The also have a lot of love for us men, and they just want to know that we love them as well. Trust me on this one!!! See you at the Club!

Peace 2 Rasheed

A couple of weeks ago, the Portland Trail Blazers traded Rasheed Wallace to the Atlanta Hawks. Me and Sheed have been friends

for a while and I wish him well in the ATL. I strongly believe that he wasn't happy here and so many people in the media were straight doggin him. In my opinion he is one of the best players in the NBA, and hopefully his new team will give him the chance to quiet any and every critic that has ever had something bad to say about him. Break 'em off some-thin' Famm and holla at ya boy. ONE!!!

Until next month, ya'll keep it crackin'!!!

One Love,
J.Mack

Another Lonely Night

With Flagstone Walker

Most porn queens are straight but they sure seem to enjoy themselves in girl/girl DVD's. While they sometimes seem zombied

out going through the bang-bang ritual in straight porn, they sparkle in a radiant haze when the time comes to lap up some sushi taco. This is evident in *GIRL CRAZY*, the first offer-

ing from a new line of g/g DVD's from New Sensations. A number of the usual suspects have been rounded up for this trip down Sappho Lane, including

"Maybe if there was a man in the world who Condoleezza really loved, she wouldn't be so hell-bent on destroying it."

Ashley Blue, Kylie Wilde, Ramona Luv, Belladonna and Julie Night. A steady stampede of voracious red lips dipping into sugar walls along with glistening dildos piercing suntanned thighs will please all you g/g jerk-off junkies.

So, too, will *BABES ILLUSTRATED 13* from Metro. Anne Marie plays a narcissistic nude supermodel always late for appointments at the non-clothing fashion shows (although her timing for strap-on sessions is somewhat better).

For those wanting tougher edge g/g, the *CATFIGHT CLUB* from Taylor Wayne Productions has one glorious moment when Goldie gets pounded by Taylor Wayne herself after palming her eyeliner. I mean what could be more of a provocation than lifting a babe's eyeliner?

I'm not a huge g/g fan, but a friend of mine just told me a girl on girl rumor that could be the basis for a fantastic docu-porn DVD. Have you heard that Condoleezza Rice is a lesbian? Nobody knows for sure if it's true, but if President Bush dumps Dick Cheney and taps his national

security adviser for the VP spot in the November, chances are—if the rumor is true—that's gonna come out.

The first inkling of this came two years ago in *The Sunday Times* of London in a profile on Rice by Andrew Sullivan. "There's a catch. Rice is single," says Sullivan, suggesting this could be a problem for her potential candidacy. "In the hideously invasive world of today's press, Rice's private life might be scrutinized in ways she would rightly find intolerable."

It doesn't take too much reading between the lines to pick up the hint here. If that isn't enough, the sly gay conservative Brit journalist plows deeper. "Everyone forgets how controversial a choice Dick Cheney was. In 2004, the shock could be exponentially larger."

Okay, Sullivan didn't even use the not-as-in-liberal L-word, but it seems to me he's saying Condi prefers sushi taco over one-eyed snake.

Last October the rumor gained greater momentum in, of all places, a comic strip. *The Washington Post* killed six days of *The Boondocks*, an irreverent strip about the lives of several black kids. One of the characters in the deleted sequence offers this suggestion to bring peace to the world: "Maybe if there was a man in the world who Condoleezza really loved, she wouldn't be so hell-bent on destroying it."

Some readers complained of censorship, then it got worse when a *Post* spokesperson said the action was justified because the newspaper had no way of knowing if the strip's assertion that Condoleezza Rice had no personal relationship was true or not.

As author Richard Blow noted on the TomPaine.common sense web site, there's already scuttlebutt in Washington that Rice is a lesbian and the *Post* spokesperson's crafty wording only amplified the rumor. "The tip-off is the flack's curiously neutral phrasing, saying 'personal relationship' as opposed to, say, 'boyfriend.'"

Then, too, the *Post's* executive editor, Leonard Downie Jr., nicely evaded

the gender question with this announcement: "The *Boondocks* strip in question commented on the private life of the national security advisor and its relationship to her official duties in ways that violated our standards for taste, fairness and invasion of privacy."

Is that enough from the *Post* screaming Condi is a dyke? No. Enter the crusading newspaper's ombudsman, Michael Getler. Making his judgment call, Getler ruled the strips should not have been cut. "I may need a refresher course in sensitivity training, but I also found the sequence of strips within the bounds of allowable satire." The ombudsman also tapped daintily around the, uh, subtext, noting the "strip ventures deeper into some touchy territory."

The rumor I heard tosses more fuel on the fire: Condi's girlfriend is on the coaching staff at Stanford. Yikes! Condi with a butch babe. What a visual!

If Condi is a rug muncher, as national security adviser she can keep this to herself. But as Sullivan indirectly points out, the closet is not an option if she's on the ticket a heartbeat away from the presidency.

It seems that having a black woman on the ticket who announces she's a lesbian would be a triple play for the Republicans. Of course it could pose a small problem for the tub-thumping Christian Rightists, or Bush's push for a Constitutional amendment banning gay marriage....

I don't know, but these questions should be kicked around in a docu-porn. Somebody out there in EXOTIC-land, get on it.

Remember these?
