Portland's reigning Queen of Burlesque, Lucy Fur, is typing a résumé, packing a moving van and forsaking us for Los Angeles.

For seven years our Lucy has been a downtown fixture: stripping at a handful of clubs (most often Mary's), go-go dancing at rock shows, producing her own ultra-fabulous cabarets (including 2001's totally rad Cartoon Cabaret) and performing über-awesome burlesque acts at Dante's Sinnerno.

Amply endowed with boobs and brains, Lucy sews and bedazzles (and fringes and feathers) her own costumes and regularly travels to the Miss Exotic World Pageant to compete amongst burlesque’s crème de la crème. She is also a photographer (see “Exotic Art,” December, 2004) and a book of her photographs will soon be published by Daniel 13 Press.

Portland nights will undoubtedly be darker without her. We love you, Lucy!

VIVA: When did you start dancing?
LUCY FUR: I began dancing in March of 1998, three months before I graduated from Lewis and Clark. I started dancing so I could have time to finish my thesis: “Gender Analysis of Female Archetypes in Hitchcock Films.”

VIVA: Were you always interested in burlesque, or was there a watershed eureka moment?
LUCY: I don’t think I even knew what burlesque was when I started dancing. I did Miss Mona’s Lingerie Show at Mary’s Club and then Danzine had me do something at Berbati’s. After that Kitty Diggins got me into it. I go-go’d for her for about a year before I decided to try and do something on my own.

VIVA: Describe how you learned to twirl tassles.
LUCY: I never learned from anyone. I just kind of jumped up and down. If you jump up and down with your arms outward, over your head, the tassles will outward. If you jump up and down with your arms at your sides, they’ll go in different directions. It’s really just gravity.

VIVA: You joined Sinnerno at the very beginning. Can you recall some of your favorite acts?
LUCY: I used to really love coming out of an ape costume while Natalia played guitar to “The Cavegirl,” a total homage to Marlene Dietrich in the movie Blue Venus. But someone stole the ape costume so I haven’t done that one in years. I like my barbecue set which I retired a long time ago. I’d eat barbecued ribs onstage and drink a beer and have watermelon and just chow and make a big mess. I’d come out to “I Dig You” by Boss Hog, then do “Mississippi Queen.” I used to do a lot of food shows.

VIVA: How many Miss Exotic Worlds have you performed at?

VIVA: Who in your opinion should be crowned the Ultimate Miss Exotic World of All Time?
LUCY: Of all time it would have to be Dixie [Evans] ’cause it’s her deal and if she weren’t there none of those woman would have a place to go to talk about what it means to do burlesque. But of the newer girls I’d say Kitten DeVille.

VIVA: When did you start dancing?
LUCY FUR: I began dancing in March of 1998, three months before I graduated from Lewis and Clark. I started dancing so I could have time to finish my thesis: “Gender Analysis of Female Archetypes in Hitchcock Films.”

VIVA: What made you leave?”
LUCY: It’s time. I always said I wanted to go out happy about dancing, so I could look back on it and be happy and not be bitter. Plus I’ve danced for seven years. That’s a ridiculous amount of time.

VIVA: Why L.A.?
LUCY: ’Cause I’m happy there. It’s got all the irony about the American dream. It’s the place that encapsulates everything that is wrong with this country. It’s a great fuckin’ city.

VIVA: Will we ever see you onstage again? At Miss Exotic World, Sinnerno, or in L.A.?
LUCY: I’m sure that I’ll come back up and do Sinnernos. I’ll most definitely still be auditioning for Exotic Worlds. I’m too much of a performer and a ham to totally give up the stage. I’ll probably start doing burlesque right away when I get to L.A.

VIVA: When is your last shift at Mary’s?
LUCY: August 12th. Friday night.

Nobody likes a loose vagina. Nobody enjoys a floppy-floppy, slippery-sloppy, honking tuba of a twat. There is no pleasure in a belching basilica of a beaver. I will bear no more of these flaccid, oscillating Jabba the Cunts. If I see another news story where yet another woman “accidentally” lodges a TV set inside her cooch, I’m going to write a letter to my congressman. As a society, we’ve had enough of ladies with loose laps! Begone with them!

Just as all men would rather have a big penis than a small one, all women would rather have a tight vagina than a loose one. If you ask them, this is what they’d say, in these exact words: “Oh, I’d definitely prefer having a tight vagina than a loose one.” So let their words be made flesh! Let our fair damsels have tight vaginas! Bestow unto our women tiny constrictor ‘gineys which can rip a penis from the root at will. Give to them the sort of taut, snare-drum snatches upon which you could bounce a dime.

A sleek, tight hoochie-noo-noo provides some of the purest pleasures a man can find on this li’l ball o’ ear-wax called Planet Earth. Old-school sex doctors Masters and Johnson, after scrutinizing thousands of penises and vaginas up close, declared that sexual pleasure was directly proportional how much friction a couple could produce by bumpin’ uglies. The bigger the penis or the tighter the vagina, the better the sex. It’s a fact. It’s also a fact that if you’re able to plop your thing inside her without much effort, her hole could probably do with a tune-up. As long as you can get it in, there’s no such thing as “too tight.”

But it isn’t totally about your pleasure. In many cases, a tighter pussy allows the woman to actually feel that thing you call a dick. She might even have an orgasm finally!

But how is the discriminating lady to know which vaginal-tightening regimen is the best for her own vagina and its unique needs? That’s why I’ve provided this list. I’ve included several practical things which the tight-vadge-obsessed woman SHOULD do, and a few impractical things which she SHOULDN’T.

1) STAY YOUNG

There’s a reason men of all ages prefer younger women, beyond obvious things such as their fresh skin and pert breasts and refreshing ignorance of the sort of lies which men tell. It’s because young vaginas haven’t been weatherbeaten by the ignoble ravages of age. “Vaginal relaxation” occurs naturally with time as the pelvic muscles grow lax and your once-fair maiden loses her “honeymoon fit.” The vagina increases in diameter. Her twat takes on the gummy looseness of a hippo’s mouth, and what you once thought was love dissolves into eternal resentment. However, since there’s no known cure for growing old, I’ll shuttle you right off to the next tip...

2) DON’T HAVE KIDS

Although you can’t stop growing old, every woman on earth who operates above the level of primate retardation is able to avoid producing offspring. Beyond obvious drawbacks such as the fact that kids scream and wipe their shit on the walls and grow up into bitter delinquents who give you a heart attack and make you rue the day you ever had unprotected sex, the li’l nip-pers’ entry into this world is accomplished by the near-total ruination of your vaginal integrity. That ten-pound ball of pink regret blows a cannon hole through a previously pristine pussy. But if you insist on breeding, at least slip your pediatrician an extra twenty-spot and have him stitch you back up tight enough to squeeze a Tootsie Roll.
Scientists will tell you that the vagina is made of spongy elastic tissue which can shrink or swell to accommodate nearly anything which invades it. They claim it is impossible for a woman to become “stretched-out” or “loose” after having her vagina pummeled by dozens of penises. Don’t believe them. A woman’s vagina can become irreparably slackened after only one encounter with an above-average wongus.

Don’t have sex

You think that nobody knows you do it? You think that nobody talks about you doing it? You think that it hasn’t been, like, the sole focus of our water-cooler jokes for the last six months? Quit sticking things in there. You’re gonna blow a gasket.

Dr. Arnold Kegel was an L.A. gyno-doctor who sure loved himself some tight pussy. His “Kegel” exercises, developed in the 1940s, are the Pilates of the Vagina, designed to tone the pubococcygeus (PC) muscle, eventually allowing any average homely woman to wrap her vadge around a man’s cock with python-like force. The PC muscle is the same one which controls your flow of urine. Once you are able to isolate this muscle and strengthen it, you will be able to isolate any man and weaken him.

Do Kegel exercises

The vaginal-tightening market suffers no shortage of cones, beads, weights, spheres, and steel eggs which any woman can insert halfway up her honey-hole and flex her sugar walls against. They bear such colorful product names as Betty’s Barbell, GyneFlex, Smart Balls, and the time-honored Kegelcisor.

Quit sticking things in there

They bear such colorful product names as Betty’s Barbell, GyneFlex, Smart Balls, and the time-honored Kegelcisor.

Use vaginal creams

Some “vaginal-tightening creams” contain herbal astringents, some are chemically based, and some contain useless compounds which have no effect on a twat’s tautness. Creams containing benzocaine affect the appearance of tightness by numbing the pussy and making it less likely to lubricate, thus superficially seeming tighter. Others feature potassium alum, often used in deodorants, which can actually constrict a woman’s hole. It can also cause rashes and yeast infections, but isn’t it worth it?

Lift vaginal weights

A patented technology in which the patient sits in a chair while “highly focused pulsed magnetic fields” roll over their crotch, causing the pelvic-floor muscles to contract. After half-hour sessions twice weekly for eight weeks, the woman walks away with a vagina nimble enough to make change for a dollar.

Vaginal surgery

Various medical techniques, some employing lasers and others sticking to the cold steel scalpel, are grouped under the life-affirming moniker of “vaginal rejuvenation surgery.” Stretched muscles are joined together and “redundant” skin flaps are removed. There is a slight risk of mortality and a larger risk of infection from such procedures. The husband receives a bill for $5,000 and his wife returns home the same day with a vagina which, when fully healed, will be able to crack walnuts.

Neocontrol therapy

An electric prod inserted into the vagina delivers currents which stimulate the pelvic floor and lead to muscular contraction. Over a series of treatments, the woman’s tweeter shrinks to a size acceptable to her man.

**EXOTIC KICKS ASS**

*Exotic Magazine* has finally triumphed and kicked all of our competitors’ asses! For perhaps one or maybe two months, *Exotic* will be the only industry magazine in town (then, inevitably, some retarded imitator will crop up and set new industry lows, but that’s life). To this effect we are throwing ourselves a HUGE FUCKIN’ PARTY. Get in on the debauchery at Dante’s on Sunday, August 14th, during *EXOTIC’S 12th ANNIVERSARY BASH*. Fabulous burlesquer Lucy Fur will be performing at Sinforno for THE LAST TIME, so don’t miss it!

In other news…. Rare dwarf cattle were married in a traditional Thai ceremony last month. If that doesn’t threaten the sanctity of marriage we don’t know what does. *Exotic* recommends that the Bush administration obliterate the country (but for the love of God save the whores in Bangkok!).

**BBQ IS ON!**

Strip clubs all over town are featuring a staggering array of barbecued meat, naked flesh and swimming pools for the entire month of August. Bring all of your appetites!

* 8/17 — The grill is on at Dream On Saloon. Enjoy the flesh fest on their newly opened outdoor patio! Or, if you’re downtown, head to the Boom Boom Room for its *First Annual Bikini Bash*.

* 8/20 — Club Cabos lights the coals for its *Booty-Q Party*, with great barbeque (and booty) specials all day. Work off the extra calories at Dolphin II’s *Summer Beach Party III*, featuring swimming pool stages inside and out, FREE BBQ and prize give-aways!

* 8/25 — The party is at Jody’s with the possibly dangerous double bill of an *All-You-Can-Eat BBQ and Pool Party*. And don’t miss what may be the LAST *Bikini Wash* of the season on August 12th, also at Jody’s!

Though this summer seemed awful slow in starting, the folks at Wildcats are already celebrating the end of it. Also on 8/25, the *End of the Summer Hawaiian Bikini Party* will feature a wet t-shirt contest for ladies and a hula-hoop contest for guys.

* Tommy’s 3 is featuring $2.99 barbecue every Sunday from noon - 6pm ALL MONTH LONG.

**LIQUOR IN THE FRONT, POKER IN THE REAR**

*Wildcats* hosts a Texas Hold’em tourney every Sunday at 7:30. Sign up early; no cost to enter.

Northwest Poker League will convene at Tommy’s III on August 7th for a free, no-limit Texas Hold’em Tournament.

**PANTIES, PENIS PUMPS & POCKET PUSSIES**

Don’t miss Cathie’s Sweet 16 Anniversary Sale August 15th-21st, featuring up to 80% off select items plus daily giveaways!

**NEW LATIN STRIP CLUB IS ¡MUY CALIENTE!**

Finally, a very warm welcome to *Gata Salvaje*, an all-Latin strip club at 633 SE Powell Blvd. (formerly Boom Boom East, Club Coco II, etc.). In addition to foxy naked chicks and hot music, Gata Salvaje boasts the sexxxiest staff in town, all rockin’ white short shorts! Hot!

Exotic received a coloring book in the mail last month. We think John “Teach” Girard’s Cheese Cake Chopper Chicks and Scooter Tramp Tarts (“For Adults Lonely”) will be an instant hit in the dressing room (bring your crayons to work, girls!). Teach is an expert at drawing naked chicks, biker babes and tattooed ladies. And, for the bargain basement price of only $50, he’ll even draw a picture of you and include it in next year’s coloring book!

Would you like to see more of Teach’s drawings in Exotic?

As I type out this month’s article, I’m chillin’ in Seattle at the Soul Fest. I have a lot to tell you this month so let’s get to it!!!

First Up — I Got the Hook Up

That’s right ya’ll! My partner Noah and myself have the hook up on all your cell phone and Pocket-PC needs. The company is called Hot Wireless and believe me we got some tight gadgets for you!!! What I am holding is called a Pocket PC. It’s a cell phone, a computer with broadband internet service, a camera and much more! Right now we are giving anyone who reads this article 10% off of all merchandise. Also, with every activation, you will receive your choice of either a car charger or a hands-free headset. Hot Wireless has the newest phones and accessories before they even hit the stores! One of the items that you laptop owners may be interested in is the “Air Cards”. These are prepaid cards that you can purchase for your laptops that will give you broadband internet hook up wherever you are. To receive your personalized service, please contact us at Hot Wireless: (503) 459-6860 or (503) 502-5322 and get hooked up!!! I’m out……

Next Up — CHEF BOY-R-BANGERS!

These catz have just released their new CD The Recipe. It features Portland’s own Mr. DJ Chill as well as B-Legit, the late great Mac Dre and Cappadonna from Wu-Tang. And that’s just to name a few! I had the chance to hang out with Tek & Leeze at their studio a few weeks ago and I was quite impressed with their skillz and their style of music. Leeze says "Our music is somethin’ for the streetz!" He also says that they are coming out with another CD real soon that’s even better than the one they just dropped. My hot picks off the CD are the following: track #3, #4 featuring B-Legit, #5 because of the "real" Hip-Hop scratchin’, and #12 with DJ Chill spittin’ some lyrical Tabasco!!! Make sure to go out and pick up a copy!!! For more info, hit up their website www.chefboy-r-bangers.com Much love ya’ll and keep on hittin’ ‘em wit’ that HEAT!!! I’m gone….

Big Ups...

* To Young Lyfe of Paper Chase Records/Universal! Congrats for landing your new video to “Bounce Wit’ Me” on BET Uncut. It was directed by the label’s CEO Charlie Hustle. Good job dogg!!

* To the newest gentlemen’s club in Portland, Gata Salvaje, located @ 633 SE Powell Blvd. That was a good idea to do a club specifically for our Mexican and Latin friends to enjoy their music, culture, and most of all the ladies!!! Keep up the good work Cristina…

* To 503 HEAT and all of the hot music!!! You need some? Call Ben—he’s got all the cutz!!! Hit him up at (503) 515-6368. He also does graphic design. Big ups!

Honey of the Month — Isis

Isis of Club Exotica is a very beautiful bartender that always greets people with love and a smile. Much love baby!!! My boyee DLB is crazy about you ma!!!

Hey man, howzit hanging! All of us keglers down at Ten Alley Lanes get a real bang from your kitchen critiques of the world of Opera. Your luminating commetation always stimulates lively con-fab amongst our-selves—with or without a round (or 2!) of Pabst Blue Ribbon—as we debate the comparative merits of out standing vocalists. The latest debate, how ever, is winding into quite a “feud,” which we would be honored if you could help paxify it by weighing in on one side (or other) of the controversy: WHO would you rather fuck—Renata Tebaldi or Luisa Tetrazzini?

No contest, fella: Luisa.

You heard it correct!

I’ll wager you’ve audio’d the 1911 “Una voce poco fa” (Victor 88301) and may possibly be snickering: “Cuckoo the Bird Girl—who would fuck her?”...but that’s from listening mainly with your heads. You should listen with your schlongs. Yeah, this chick is all over the place—chirps! warbles! clucks! caws and quacks! (watch out for the droppings)—but in them warbles and what-all lurks a grounding; a gravitation. She’s a husky spud-bender, see—BIGGG and WET. That ain’t all.

Central—vast, voluminous OCTAVES OF LADYLOVE, sharped, flattened whammer-jam of carnal surges and tangents from Wham-Ba-Lam-busters—you just know she has soul).

DOWN...(o! my empyrean piledrive your ramrod and SHAKE ‘EM ON minissimo—pistons and pinions and heavy-duty whamrods to...

WHO would you rather fuck—Renata Tebaldi or Luisa Tetrazzini?

"If I’ve said it once, I’ve said it humpity-dumpteen times: you can’t fuck timbre!"

milk chocolates in three-tier boxes, an IMAX film (& dinner) just to get a toe in the door...to join Her Royal Cuteness for a round of "doctor".

You show her yours, she shows you hers...shoes and socks optional...slip a little vodka in her 7-Up, and maybe she’ll let you sniff inside her bra...on the sassiest day of her life—if her ma don’t barge in first—it is POSSIBLE y’might wangle a three-finger handjob. (If Ma barges, don’t count on a rain check.)

To get past her garters, and into her bloomers, you would probably need a crowbar, and ABOUT THOSE BLOOMERS I have got a feeling, nay, more than feeling: a premonition. That they shall (sayeth me) be boring basic white, sno-white, cotton-lycra, with NO stains (in front! below! behind!) sensible to organs of sight, smell, taste or touch, and no stray cranry hairs. (Conditions in the underwear of Connie Effing Francis could scarcely be squeaky cleaner.) If there be fragrance to milady’s undies, ’would be not (I augur) the sensuous bouquet of redolent steam from her simmering squank, but permeant fumes of over-the-counter "fem hygiene" (i.e.: anti-squank) spray...keep it!

Exxxcuse me, guys—I don’t mean to nay-say your grand plans of Tebaldic debauchery. If aftarchool show-N-tell is your scene, go for it. Who am I to judge? (Be sure to save some vodka for yourself...you’ll need it.) Should you make it to 3rd or 4th base (hey: we all sometimes get lucky), my hat is off to you. Really, gentlemen, it isn’t my intention to deny it can be done, though it’d take you a trainload—a boatload—surely more than a trouserload—of time, $$$ and effort to get all the way to 4th...in which case you’ll have yourself a trophy—you’ll have earned it, yes—but a trophy of what, precisely?

"Waitaminute, waitaminute!" you say? "Whuttabout Renata’s flawless timbre above high B-flat?"

Oh mama. If I’ve said it once, I’ve said it humpity-dumpteen times: you can’t fuck timbre! And even if you could, we’re talking timbre here without fuckmuscle behind it, without fuckfilth or muffin scent, and fucking THAT would be like fucking the wall, or the door of a fridge—or jizzing off on a Disney frigida.

I may be olde and eccentric, but it just doesn’t DO ANYTHING FOR ME, alright? A trophy minus muffin scent!...egad. What would you jizz off about? (Nobody’s got THAT much ‘magination.)

Trophyism, bah. In case your mother didn’t tell you, it behoves me to relate ya’s some serious wisdom: you don’t have to pork every prima donna on the block, and what’s more, you needn’t feel GUILTY for not porking! Not only are trophy fucks in general, and at best, frequently less than they’re cracked up to be, start collecting ‘em and you’ll wake up one morning addicted to a very sweepy habit. In certain circles, trophyists may in fact be considered gauche... uncouth...even immature. For treating women as objecks. So don’t...if you can possibly help it.

I hope I’ve answered your question.
Double Take on the Double Standard

When I was 16 or so, there was this big punk rock guy named Max. Max was a wild party guy who loved to drink, do drugs and get into all kinds of trouble drivin’ his ’68 royal blue Mustang around Boston, New York and wherever else good times were to be had. Above all, Max loved to fuck.

We all did, sure, but Max was down for anything, anywhere, anytime. One summer in Harvard Square, while the University held its centennial bash in the Cambridge Common, Max and a friend climbed up onto the big statue of Paul Revere—ashtray his rearing horse—before the crowds of graduates and fancy-schmancy alumni arrived. They finished a couple 40’s and smoked a joint while the Harvard blue-bloods swilled plastic cups of champagne. If any of the rich revelers had looked up instead of down their noses, they’d’ve caught one hell of a sex show going on between the legs of Paul’s bronze pony.

Though not the best looking guy ever, Max was a total stud. He had a reputation of being one of those guys who got off on getting YOU off. Max was the MAN. He got tons of pussy—and plenty of cock—with little trouble. Except for this one time...

We all lived in a rundown house, a squat that was a temporary home to ten or twelve of us. One of the girls who lived there, Mika, had a crush on Max, so one day she scored some acid for them. From morning to nightfall they tripped: ran around town gawking at people, laughed their asses off, snuck into a hotel pool for a swim and then headed back to Mika’s house. The acid was wearing off a bit when they started fooling around. Max went down on her, got her all happy, then climbed on and in.

Once in her, he noticed how strangely she was behaving—kind of giggling uncomfortably and not really knowing what to do with her hands. “She can’t still be trip- ping....” he thought. “Uh oh. Is she a virgin? Shit! She didn’t tell me. I gotta get outta here.... I’ll make her cum and then split.” He tried everything, finally pulling out and going down on her for what seemed like forever until she squeaked his name twice.

He was sure she faked it. Max excused himself to get a beer and check out the party going on upstairs and said he’d see her in a few. At the party he ran into Robbie, one of Mika’s roommates, a tall blonde skater chick who had flirted with him many times and had essentially flashed the green light to him for future escapades.

He was painfully frustrated since the sex had been so uncomfortable and lame. Robbie kissed him a promising hello. Max confessed to her what had transpired with her roommate. She didn’t seem to mind. She kissed him again. They went outside. Within minutes they were in Max’s car fucking like pros.

After a while, and just at the crucial point of their tryst, the two noticed a shape outside the foggy back window. “SHIT! IT’S MIKA!!” exclaimed Robbie in a screechy whisper.

Within minutes they were in Max’s car fucking like pros. Robbie kissed him a promising hello. Max confessed to her what had transpired with her roommate. She didn’t seem to mind. She kissed him again. They went outside. Within minutes they were in Max’s car fucking like pros.

And, sweet reader, all of these stories are true. True, yes, but the boys were girls and vice versa. Mika was Mike, Robbie was Rob, and Max was actually me.

Oops.

Mike, Robbie was Rob, and Max was actually me. Yes, but the boys were girls and vice versa. Mika was Mike, Robbie was Rob, and Max was actually me.

As we sit wordless, savoring the beauty of it all, Jean-Jacques delivers the coup de grâce:

“I think there was also a picture of his mother. A small photograph of his mother. Yes. In a frame. He placed it by the rat, so that he could look at both the rat and the picture.”

This is it. Johnny and I decide to search out antique hat-pins immediately. I feel that there can be no greater love.

In my search for the perfect hat-pin, I have learned that these pins likely began, in the early nineteenth century, as decorative hair-pins, which grew into the longer hat-pins to accommodate the bigger and bigger hats that dominated women’s fashion from the last decade of that century. As the size of hats increased, so did the length of hat-pins, from an early average of five inches to known specimens of nearly twelve inches, with pin-heads that were often ornately jeweled. All of them made for lethal weapons.

Injuries were inflicted frequently throughout Europe and America, and legal measures were taken against their use in Germany and in New Orleans. In Germany, the police threatened that safety finials must be affixed to the points of all hat-pins worn in public. The long hatpins of the late Belle Époque could do in even the fattest and biggest river rat quite nicely indeed. The life of Proust (1871-1922) coincided with the golden era of the hatpin.

But the tale itself: is it true? Johnny and I wonder about it. In the end, we resolve the matter. If it were not true, it is true now.

An intriguing passage in an obscure book is brought to my attention. In High Diver (London: Blond & Briggs, 1977), Michael Wishart, in the chapter “A Shakespearean Snail,” concludes his observation on Maurice Ravel’s sexual involvement with hermit crabs with the words:

“...This rather macabre revelation is hardly more surprising than the delicate penchant of that other frail creature of spots and perfumed kid gloves, Marcel Proust, for watching young men stick pins into the eyes of rats. Clearly even the most fastidious have their releases...”

The summer passes. It is good rat weather.
